WORK HISTORY

JUL 2023

-

May2024

SRKey Consulting Group

Design and build applications for mobile devices running Android and Apple's iOS Collaborate with a team to define, design.

EXPERIENCES

SUMMARY:

Resourceful React Native developer with 7+ months of Training experience working with a wide range of apps and like E-commerce app etc.

- Experience in designing and building advanced applications for the Native.
- Design and build applications for mobile devices running Apple's iOS Collaborate with a team to define, design, and ship new features
- Decent Knowledge of React Native design principles and object-oriented methodologies to design software for mobile app.
- Hands-on experience in unit-testing code for robustness and reliability.
- Knowledge of integration of different cloud/server-based API \ consumption including RESTful JSON, REDUX, web APIs, Asyncstorage, and SQLite. Good communication skills, with strong relationship, collaboration, and organization skills.

Operating systems	Android/Mac
CI/CD tools	GitHub
Programming Skills	React Native
Architecture Patterns	layered architecture
Libraries / Frameworks	React Native Elements, Firebase, React Native Paper, Payment Gateways, react-navigation,react-navigation/native, react-native-sqlite-storage ,react-native-async- storage.
Analytics tools	Firebase Analytics
Mobile Platforms / Technology	ANDROID , iOS
Debug Tools	Xcode, Android Studio
Development Tools	Xcode, Android Studio,Visual Studio Code
Task Management	Teams,ZingHR
Source code Management	Git
Databases	AsyncStorage, SQLite,React native firebase

MAJOR PROJECTS

Some of the projects/product experiences are described below.

E-Commerce App

My Ecommerce app is a modern and advanced application that keeps pace with the latest technologies used in electronic commerce. Buy and sell of products and services are made accessible in one single platform.

- ▶ The app supports language English
- ▶ It's very user friendly React Native Mobile Apps like ANDROID,iOS apps.
- ▶ App have many sign in option like Signin/Signup Authentication
- ▶ Signin/Signup authentication with Mpin-ConfirmMpin Screen.
- ▶ Payment System ui for online payments,cash on delivery,phone pe,google pay etc.

My contribution	<ul style="list-style-type: none"> ▶ Develop a new feature and improvements. ▶ Bug tracking and feedback discussion with the team. <p>I Contributed to Projects by team meetings,suggesting ideas and completing assigned tasks on time.</p>
Tools	Android Studio,XCode
Technology	MAC,ANDROID, Github, Javascript, Rest API
Mobile Platform	ANDROID,iOS
Libraries / Frameworks	react-native-community/netinfo, React Native Elements, Firebase, React Native Paper,react-native-fontawesome, Payment Gateways, react-navigation,react-navigation/native, react-native- sqlite-storage ,react-native-async-storage.

Vehical Management App

Vehicle management app is advanced application that keeps pace with the latest technologies used in this app. vehicle driver and vehicle insurance and puce details of vehicle are made accessible and easily find functionality in one single platform.

- ▶ App have sign in option like Signin with userEmail and password signin with Google etc.
- ▶ It's very user friendly React Native Mobile Apps like ANDROID,iOS apps.
- ▶ I have added FCM push notification like cloud messaging using firebase.
- ▶ Signin/Signup authentication with Api Integration.
- ▶ vehicle details find using serach vehicle registration number.
- ▶ vehicle owner check details of all car and car driver details easily.
- ▶ owner can see insurance,puc,fine,service all details of vehicle .

My contribution	Develop a new feature and improvements.
Tools	Android Studio,XCode
Technology	MAC,ANDROID, Github, Javascript, Rest API
Mobile Platform	ANDROID,iOS
Libraries / Framework	react-native-community/netinfo, React Native Elements,Firebase, React Native Paper,react-native-fontawesome, react-navigation,react-navigation/native, react-native- sqlite-storage ,react-native-async-storage,react-native-community/datetimepicker,react-native-community/netinfo, react-native-picker/picker,react-native-document-picker,react-native-document-picker,react-native-image-picker,react-native-swipe-list-view etc...
